Introduction

Thank you, one and all for another year of successful collaboration in our relentless effort to mitigate the challenges of living with HIV among the most vulnerable and the helpless. We are now approaching 20 years of dedicated service in this area. Our eight centres in South India have become robust service delivery centres for in-house HIV management among adults and children. They also provide psycho-social support and outpatient care to a large number of PLHIV living within the society through our outreach programs.

The 400+ children in our direct care can now aspire and look forward to being independent assets to the society. They have stabilized their HIV, and, with improved well-being, are able to pursue education through Nation Open School Curriculum and vocational skill development. As a testimony to our success in health, nutrition and personality development among these vulnerable children, two of our children participated in the children's Olympics in Netherlands. One of them has shown outstanding capability as a marathoner and has started making waves by finishing multiple marathons at the young age of 17.

A few important initiatives are taking shape and giving direction to our future. The foremost among them is the Camillian Task Force, with its focus on disaster relief services. Last year we were able to mobilize teams to reach disaster impacted areas within and outside the country and provide care as well as pastoral services to the sick, the mourning and the needy. The second major initiative is the broadening of our focus from HIV care to include care for destitute and terminally ill. Although this is in its infancy, key decisions being taken on this matter will impact the services we provide in the next several years. Lastly, for the children who have grown with us, as a planned transition to independence when they approach adulthood, we are working on occupational skill development programs to support their needs. These programs will also serve as transition ground from adults who are returning to good health after prolonged illness.

Even as we continue to expand our horizon on care delivery for the sick, suffering and needy, we remind ourselves of the responsibility of creating a future for the orphans and vulnerable children who depend on us to be their family, protector and role models.

We are grateful to God and to all those who have contributed in different ways in our long and difficult yet fulfilling journey until now.

Message from President

Dear Friends,

Greetings from Sneha Charitable Trust

This Annual Report contains description of our programs and achievements in the year 2014-2015. SCT has been in existence for more than a decade now. Our vision is to realize the dreams of the poor and the underprivileged. Our focus is on those who are unable to access quality healthcare, education or basic amenities which will give them an improved quality of life. Our programs are driven by our mission - to work/ act as an agent of change to help the poorest of the poor access and actualize their rights as enshrined in the Constitution of India. In the ten years we have enhanced and expanded the range of programs. The time is ripe for us to review and realign our programs to the changed realities. We need to reflect and strengthen our successful programs and rework programs which are not effective or do not add value to the beneficiaries. SCT continues to work with volunteers and social workers driven by our core values such as "Care, Compassion, Commitment and competence". As you will see our programs require empathy and proactive reaching out to the poor and needy. We are fortunate to have donors who have given us their unstinting support. It is a matter of honour for us that most of our funding comes from individual donors. Thank you very much for reposing your trust in us. We will strive to be transparent and accountable.

Thank you very much for engaging with us

Yours sincerely

Baby Ellickal President Sneha Charitable Trust

About Sneha Charitable Trust

S neha Charitable Trust (SCT) was founded in 2003 with the aim of co-coordinating social and community health care services to the poor, sick and the most neglected section of our society in India. SCT is managed by the Camillians- an International Faith-based Organization which is exclusively involved in the healthcare field for the past 450 years. It is one of the most challenging, creative and demanding initiatives of Camillians. It has a radical and distinctively global healthcare action – care and support to People Living with HIV/AIDS (PLHIV), destitute, mentally and physically challenged children, training in quality healthcare management, vocational rehabilitation, training and job placement. The trust has also been holding hands with the national programmes and international programmes of care implemented through various government and non-governmental agencies.

In the context of stigma and taboo associated with HIV infection and consequent denial of hospital treatment and rejection from the society experienced by those infected, SCT began its first social and community centre in Bengaluru, known as Snehadaan. Through SCT, the healthcare services of HIV care got its wings strengthened. Over the following years, we opened similar care centres in Bengaluru (Sneha Care Home & Shining Star School), Mangaluru (Snehasadan & Snehashram), Kerala (Snehatheeram), Secunderabad (SnehaKiran & St. Camillus Gramam), Tamil Nadu (Snehagram). A new ray of love and acceptance dawned in the lives of many through the instrumentality of these social and community centres, having the capacity to provide in-patient care for more than 600 people.

Ushering in the care of HIV infected Orphan and Vulnerable Children (OVC), SCT started one of its major care interventions in HIV scenario. This was the opening of Sneha Care Home in Bengaluru and Sneha Kids' Home in Mangaluru to respond comprehensively to the needs of OVC. It was started with the aim of developing a model program which would comprehensively address the multi-faceted issues of children living with HIV. Later on, SCT also opened a community centre at Krishnagiri for adolescent children with vocational training and capacity building initiatives. SCT has about 350 children living with HIV infection in its healthcare centres now. In fact, their future might be uncertain and their past, a painful reality. However, the children in the care of SCT live their present with zest.

SCT actively involves in out-reach programs blood donation and organ donation movement and occupational rehabilitation programs.

Vision

To provide comprehensive and holistic healthcare to the sick with a preference for the marginalized, neglected, lonely and those living with terminal infirmities.

Mission

To be a positive force in addressing the comprehensive needs of the sick living with terminal infirmities and loneliness; to ensure their dignity and overall quality of life by motivating, caring, supporting and rehabilitating them, with priority for community care and palliative care of PLHA and for those terminally ill.

Objectives

- To provide quality care for the neglected and needy sick
- To provide compassionate care to those in the end- stage of their disease
- To ensure them dignity of life, quality treatment and improved health
- To help them find meaning in life and to cope with their real life situation so as
- To live a dignified life in the society
- To train healthcare professionals in hospital and community care management
- To network with the Governments and other NGOs
- To help the society to develop its sense of Compassion, Care, Commitment,
- Competence, Generosity and be responsible companion to sick brethren.

HEALTH CARE CENTRES OF SCT

Snehadaan, Bengaluru

SNEHADAAN completes 19 year of healing mission in the church this year. Ever since the beginning of Snehadaan in 1997 it has been evolving and adapting according to the demands of the time in the health scenario of Bangalore in particular and Karnataka in general. It started as a destitute home and later shifted its focus exclusively to HIV care for a decade. Now the time has come to open wide its doors to various other sick and needy members of society.

We consider change as the yardstick of growth. Snehadaan is also changing to spread its wings to accommodate various types of sick brethren, abiding by our core values and following the footsteps of St Camillus.

The Approach

From its experience in working with HIV infected adults and children, Snehadaan has developed a holistic approach to the delivery of care and treatment for any sort of sickness. It realizes that an integrated approach is the most effective way of care and support. This means that it emphasizes on personalized quality care, counselling support, rehabilitative services, exposure for visitors, networking, home visit and coordinating with likeminded institutions.

Services provided by Snehadaan

Snehadaan provides a comprehensive care package to all the inmates without any discrimination:

• Comprehensive Care Approach

Snehadaan focus on the totality of the person. All our activities and programs are directed towards the total well-being of the residents. We consider each person as unique and treat everyone with the dignity that is due to a human person. We believe in the comprehensive approach to help people regain their health and dignity even after they are infected with HIV. The components of this model as we carry out at Snehadaan are as follows.

Medical Care

Clinical management of the various opportunistic infections of our residents is a major activity of the programme. We have the services of a full time resident Doctor and we have the consultative support of Pain & Palliative Care department of St. Johns Medical College under patronage of Dr.Thara and Dr Shoba on a regular basis.

ART referrals

When patients are in need of ART we start counselling them and their families and our doctor refers them to the Govt. ART programme at Bowring Hospital and St John's Medical College Hospital.

Nursing care

Nursing team is coordinated by a nurse coordinator who is providing 24hours service to the patients. We have five nursing staff, who are also supported by Health care workers and Personal care manager for the total care of Patients. Nursing team promptly administers the treatment plan to each patient according to their unique individual needs.

Counselling Support

Two counsellors are constantly monitoring and addressing various psychological and emotional issues of the inmates. They also work with families of the inmates to make sure that they are placed back home after recovery. Telephone counselling is also one of the tools we use to support the discharged inmates as part of continuum of care.

Physiotherapy

The existing physiotherapy unit is upgraded with the support of Xerox Company which helps inmates to enhance the quality of care they receive. One part time physiotherapist's service is availed to address muscular pain, rehabilitative care, and physical disability of patients. Exercise therapy helps in improving general fitness, strengthening exercise helps in regaining the muscle power and endurance.

Spiritual Support

Snehadaan is a faith-based organization and we integrate spiritual care along with other needs of our patients. We believe that through the support of spiritual resources from their unique faith traditions they can address many existential issues like meaning of life, death and the question of suffering. Even though our patients belong to various faith traditions or no traditions at all, they all seem to tap the spiritual atmosphere that is present at the centre for their benefit. Regular group prayer sessions are animated by brothers or volunteers to facilitate their life journey and make it more peaceful and meaningful.

Rehabilitative Care

One of the goals of Snehadaan is to enable the patients to get better and live a normal life irrespective of their health conditions. During their stay with us we encourage them to explore all the possible ways to get back to normal life. If they need to change jobs due to their compromised health, we facilitate them to look for alternate options. We also provide ongoing support and counselling to those who have been rehabilitated after their treatment here.

Volunteers and visitors on exposure

Snehadaan always receives visits from various organizations, public and private, local and foreign volunteers to learn the work of Snehadaan. Students from different medical and social work colleges, officials from different organizations and govt, personnel of NGOs and state agencies regularly visit Snehadaan.

COLLABORATION & LINKAGES

- St. John's Medical College and Hospital (SJMCH) for regular orientation visit. Case history undertaken by GFATM nurse trainees. Connected with Community Health Activation Programme (CHAP) group of Medical students in St. Johns to provide training on various aspects of HIV management.
- Organizing regular visit by GFATM Nurses trainees to NIMHANS (National Institute of Mental Health And Neuro Science).
- Catholic Health Association of India- Snehadaan staff participated in the Catholic Health Association of Karnataka meeting held at Camillian Pastoral Health Centre.
- Snehadaan is actively involved in all the programmes of Revised National Tuberculosis Control Programme (RNTCP). Our staff participated in the Bangalore dioceses level sensitization programme on TB at Paavan Bhavan on 19th November.
- Students from The International School Bangalore (TISB) are actively participating in the patient based programmes and visiting our centre every Thursdays.
- Providing training to Professional colleges and faith based organizations As a pioneer in the field of HIV Care in Karnataka, Snehadaan provided training and experience sessions to a total of 30 different Professional colleges and some Faith based organizations.
- College and School reach-out program: Mount Carmel College, Jyoti Nivas College, TISB International School, Christ College, Oakridge International school.
- Liaison with private hospitals to function as a referral palliative care centre for palliative / terminally ill patients.

Snehatheeram, Aluva, Kochi, Kerala

S nehatheeram (shore of love) began its service in the year 2004. It is a care home for persons living with terminal infirmities and loneliness with priority for the PLHIV. Snehatheeram is a 20 bedded facility. This Centre has been providing psychological, emotional and spiritual support, information about treatment options and has been involved in HIV awareness campaigns to prevent the spread of HIV/AIDS. Currently there are orphans and terminally ill patients in our care programme.

Major Activities

- Medical Care: The medical care team at Snehatheeram strives to provide maximum comfort and care around the clock. Regular check up by doctor (twice weekly), administration of drugs, standard curative practices and excellent infrastructure facilitates enable the patients for a speedy recovery from their infections.
- Psycho-spiritual Support: By the grace of Jesus, Snehatheeram has an ambience promoting the psycho-spiritual development of the patients. Sharing with the Priests/religious of Snehatheeram community, peer group counseling and spiritual activities enabling them to cope with their disease, and thereby leading a more hopeful and optimistic life.
- Nursing Care: The nurses at Snehatheeram provide a high standard of nursing care to the patients. They provide medicine intake to the patients as per doctor's prescription, watch out for any changes in condition, report to the doctor and give attention to the personal care of the patients in tune with the Camillian spirituality. They provide nutritional supplement to the patients, maintain patients' records and case sheets.
- Nutritional care: Good nutritional support can improve one's health to a great extent. Snehatheeram tries to support our sick brethren to provide sufficient nutritional support, enabling them to fight their physical weakness and ill-health.
- Referrals: Snehatheeram is part of the network of NGOs, Government and other health facilities around. They refer beneficiaries to Snehatheeram for drug adherence, opportunistic infection management, care & treatment, spiritual and psychological support. Government health facilities, STD clinics and other NGOs also refer beneficiaries. Snehatheeram refers patients to ART centers and other health-care facilities.

- Watch-n-witness: Snehatheeram provides occasions for various age/social groups (especially youth and students) to physically visit us to know the real life situation of those reside here. By this we aim at sensitizing them against the social stigma against HIV infected.
- TB Program: Patients with TB also get referred to the center. The centre gets support from District TB unit to treat TB promptly and appropriately. During the time of discharge, we provide transfer letter to the respective TB unit.
- Staff Training: Snehatheeram always stood for development of its staff and thus improving standard of services. Providing a Camillian care to the sick and the affected is our pledge. Enabling our staff members to imbibe this spirituality is inevitable in this regard. Hence, we are sworn for it in our staff management and care.

SNEHASADAN

MANGALORE

S nehasadan is the third ministry initiative of Camillians in India and it was blessed and inaugurated by the Bishop of Mangalore on February 4, 2001. Snehasadan began with the intention of serving the HIV/AIDS infected people of Dakshina Kannada region. It is a 56 bedded holistic care centre. Apart from the residential medical service, the centre is involved in advocacy programs to mainstream the HIV infected and affected through linkages and network with other stakeholders in the region.

SNEHAKIRAN, HYDERABAD A Holistic Care Centre for people living with HIV/AIDS

Snehakiran, the Community Care Centre provides comprehensive communicable diseaserelated medical services. It is a 65 bedded inpatient health facility.

The services offered include:

- Outpatient and inpatient services
- Outreach programmes and infection control measures
- Referral/ linkages with governmental and non-governmental institutions

• Key roles of the centre:

- Link member institutions with national programmes.
- Advocate the rights of PLHIVs and care and support centres
- Provide hands-on- training on communicable diseases with special focus on HIV/AIDS to the doctors, nurses and health care providers
- Offer distance mode of education
- Assure quality care in the centre.

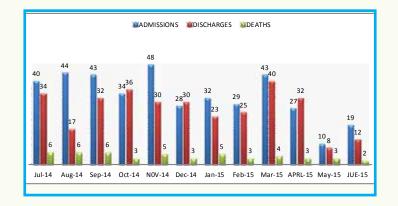

Home Based Care

This is a venture of the year. This home visiting program provides structured visits by a group consist of a medical officer, nurse and social worker. These programs support patients by providing health check-ups, screenings, referrals, parenting advice, and guidance with navigating other programs and services in their community. The programs also monitor ART drug adherence and follow up health progress

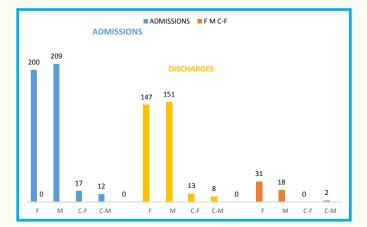

Dental Check-Up – Dental health check-up for the HIV infected patients was one of the major programs of World AIDS Day this year. It was a collaborative program conducted with the help of The Army Dental Collage staff.

COLLABORATIONS

- Involvement of students: The centre involves students through its awareness programs at educational sector. Resource person from the centre visit schools, colleges and present about the activities of our centre and thereafter find out the interested candidate to play the role of volunteers to involve in the charitable activities of the centre.
- Contributions through kind: As part of fund raising program, the centre has adopted a different way of approaching well-wishers like shop owners and farmers who can contribute various grocery items as contribution in kind.
- Collaboration with Save A Family: We are collaborating with Save a Family unit of India. The project supports us to meet the lab needs of the centre. Besides, they also supported us financially for other needs of the centre.
- Individual donors: Some potential volunteers of the centre have rendered their service at free of cost to the centre. Dr. Ravi and family is one among them. On the other hand other well wishers financial supported to purchase grocery items. Mr. George and family from St. Anthony's church is one of such dedicated well-wishers.

RESIDENTIAL CARE TO ORPHAN AND VULNERABLE CHILDREN (OVC)

Sneha Care Home (SCH)

A Home of mutual love and care

It was started in 2008 with the aim of building responsible adults through value education and aptitude-based skill development. Now the centre takes care of ninety six children. Shining Star School is the residential school in our campus where using the National Open School Curriculum we provide education to our children. With the aim of improving the talents and aptitude of children we also provide them training on painting, music, dance, athletics and various sports and games. Thus the model is evolved to meet the long term needs of child hood development, adolescent issues, personality development, need - based education, value system to sustain them for life, employment, family and community acceptance

Clinical department

Intervention	Outcome
Preventive and promotive health care practices	Less frequent opportunistic infections, few cases of hospital admission, less use of antibiotics, zero viral load among the children who are on ART and cutting down on medical expenses.
Nutritional care through following a proper dietary pattern and micro-nutrient and additional food supplementation	Helped the malnourished children to transit the borderline, prevention of OI's, children staying healthy constantly.
Frequent health assessments through specialist health professionals	Early tracking of health issues and immediate prevention and consistent health monitoring and evaluation.
Hygiene monitoring, education and care	Less skin issues, prevented spreading of skin related diseases, enhanced personal care and cleanliness.
Facilitated health related researches	Easy monitoring and evaluation of the outcomes of the programme and planning effective strategies.
Periodic health data capturing and analysis	Useful for internal monitoring and evaluation and as research data.

Co-curricular department

Intervention	Outcome
Facilitation of children's parliament	Made children aware of the democratic decision making process, ensured children's voice is reflected in organizational decision making, developed the skills of children with regard to reflection, discussion, strategy planning and decision making.
Child protection policy review and implementation	Making sure children's rights are protected and "the best interest of the child" is adhered to in all programme planning and execution.
Implementation of the sports module	Practical dissemination of life skills and values made the children to assimilate them easily
Celebration of special days in a culturally relevant manner.	Made children to understand the importance of various feasts, enhanced cultural sensitivity and ensured that children miss their home or belongingness to the community.

Facilitated research on implications of yoga for CLHIV	Helped children to learn Yoga scientifically, self- disciplining and relaxation, and impact of it on their health.
Organized co-curricular trainings participation in competitions	Aptitude auditing, enhanced skills, confidence and self-image,
Management of club and house system.	Increased children's participation in activities, diminished children's dependence on adult support in decision making and execution of tasks and personal skill development.

6th anniversary celebration2014

Sneha care home and shining star school celebrated its 6th anniversary on 4th of august 2014. The programme which started at 4 pm, was inaugurated by Dr.Manish kumar, Director USAID OVC programme, KHPT and chaired by Fr.Vince koickal, Fr. Mathew Perumbil, Fr.William and Priyanka. On the same occasion we released the annual report of Sneha care home and inaugurated the extension of children's washing area and staff refectory. The stunning performances of the stars in Sneha care home added much colour to the programme.

Blessing of Dental clinic

One of our challenges with regard providing medical care to our children was treating dental issues. One of the dentists who visited the Centre offered his voluntary assistance if we installed a dental chair in our Centre. The installation of the dental chair was inaugurated by Fr. William, the superior of the campus on august 4th 2014. It has been very useful for all our children.

Champion In Me

5k Run 2014

In connection with World HIV/AIDS day, Sneha Care Home in association with Bangalore School Sports Foundation and Runners High organized Champion in Me 5 K Run/Walk, on 23rd November, 7.00 am at Snehadaan Campus Sarjapura. The principal aim of this event was to make the society collectively think about the future of these children and effectively respond to their needs and aspirations. Moreover, this year we had three specific aims for organizing this event: to make the society aware about the fact that these children can have a bright future if we work together, to tell the children that they can reach any heights if they have the will and determination, and WE are there for them to help them.

Around 800 people from different fields like film industry, companies, schools and colleges came for the fourth edition of champion in me 5k Run/Walk.

Arts and Sports Day

The annual champion in me arts and sports event for CLHIV, which is conducted in collaboration with KHPT and Bangalore school sports foundation, was held on 29th and

30th of November 2014. We were able to bring around 500 children from 10 institutions in Karnataka and Tamil Nadu.

Starry night 2014

Starry Night is a program to bring together all our well-wishers, friends, benefactors and people who are closely associated with us for a common Christmas celebration and dinner with the stars of Sneha Care Home. This year it was held on the 15th of December from 6.45 pm and around 450 people attended the programme.

During this auspicious occasion Baby Ellickal, President of Sneha Charitable Trust presented the best volunteer award to Mrs. Lorane, Mrs. Mamtha and Mrs. Juliet and the best institutional supporter award was given to International School of Bangalore.

There were beautiful performances by Sneha care home, Snehagram and Swanthana children. The mellifluous voice of Cicily the famous south Indian play back singer made the occasion very gorgeous. Performances were dazzling, food was delicious and that day was inspiring.

Kolar outreach camp 2015

Sneha care home in collaboration with precious blood sisters (Kolar) manages an outreach program in Kolar district through which we take care of 83 children. This year the team from Sneha care home conducted two summer camp for the children (pre-adolescent and adolescent). The main aim of the summer camp was to provide the children with different activities like arts and craft, music and dance, awareness session and life skill trainings.

The St. John's pediatrics team had medical screening and the participants were gifted with educational kits and clothing.

The Camp ensured hope restored in individuals and communities, through collective efforts to overcome the challenges of HIV and AIDS.

Shining Star School is an accredited school now...

The long awaited dream of Sneha care home to function Shining Star School as a formal school through getting the accreditation of OBE (Open Basic Education) scheme of National Institute of Open Schooling. The grant of registration is a fruit of much effort and long wait. The Open Basic Education programme has been recognized by the government of India as equivalent education to the formal school for purposes of higher education and employment.

Celebrating life

We celebrated all the national and regional festivals in Sneha Care Home like; Ugadi, Pongal, Independence day, Gandhijayanthi, Christmas, Republic day, Ganesha Chaturthi, Karnataka Rajyostava, Easter etc., with their traditional flavours. It was done to ensure that the children did not miss any festivals which they would have celebrated if they were at home. This can not only trace out the location for a temporary plan but also the natural remedy to accept the truth in its radical issues to the core

PROGRAMMES AND THEIR FEATURES

Academic programmes

In Snehagram, children are facilitated to follow the curriculum of National Institute of Open Schooling (NIOS). We intend to cover as many children as possible under this stream of education for taking their secondary and higher secondary examinations. 'Teacher in Print' kind of textbooks enables interactive and activity-oriented learning. Curriculum is up-to-date to meet the changing requirements of the society and to provide the right kind of education accordingly. The curriculum of NIOS is designed optimally to facilitate self-directed learning.

The students are also facilitated with the opportunity for group learning and online educational support. With help of the audio visual studio setup at the Learn for Life Centre, children will have the opportunity to interact with the resourceful persons in India and abroad on various subjects through Skype talk or Google hangout.

Vocational Training & Community College

Snehagram imparts job oriented classes and training coupled with academic programs under NIOS curriculum. At present students are trained in Language and Communication, Data Entry, Tailoring, Embroidery and craft works, and farming.

Self-directed Learning & Online Educational Support

In Self-directed learning the teacher's role is minimal and the students themselves plan their future and set the goals accordingly. It would promote natural development of selfconfidence, nurture their abilities in decision making and make them capable of taking initiatives. The absence of coercive schooling will induce increased life satisfaction. It also provides them opportunities to pursue wider interests and groom them to develop out-ofbox thinking in life.

Group learning allows students to develop problem solving, interpersonal, presentational and communication skills, all beneficial to life outside the classroom.

Community College

As a part of Vocational Training initiatives Snehagram plans to commence a community college by June 2015, to provide job oriented skills training and placement to CABA.

Following are the courses we envisage to offer:

- 💠 🛛 Retail Management
- Hospitality
- Office Management
- 🔶 BPO
- Pre School Teaching (Early Childhood Care Education
- 💠 🛛 Video & Photography
- IT Enabled Services
- Catering Assistant
- 💠 🛛 Garment Making

HEALTH MANAGEMENT

Medical Support

Children receive ongoing medical support to manage their health. The preventive, promotive and curative model of health is followed, whereby the focus will be on prevention of opportunistic illnesses and promotion of healthy living practices. There is regular monitoring and evaluation of their health and routine investigations to determine their immunity status and viral load. They are integrated to the treatment programmes under the Anti-Retro Viral Therapy provided by National Aids Control Organisation (NACO).

Snehagram has tie up with St. Johns Medical College, Bangalore, and Snehadaan Community Care Centre for PLHIV along with the online support of doctors for the medical care of the children.

Nutritional Care

Nutritional care has an important role in the management of HIV. Nutrition helps in maintaining desirable body weight, minimizing the health problems arising due to HIV and helps in building a strong immune system. Children are given nutritional education along with the provision of a balanced diet.

Psycho Social Support

Adolescence is the period of storm and stress. The children will be undergoing series of existential queries regarding their HIV infection and related complications, social acceptance, stigma, discrimination, the orphan hood, loss of siblings, and the feeling of loneliness. They require professional assistance in leading a positive life.

Children undergo regularly Yoga training, Spiritual guidance and exercises, family life education and social life, sexual health education, disclosure of HIV infection, value based formation, personality development and self-esteem building, life skill education and counselling support for various emotional needs and challenges.

They are also encouraged to maintain their family relationships and it is a policy of the program to keep the family and relatives of the children as active partners in building their lives.

Snehagram in collaboration with NIMHANS and KHPT conducts adolescent specific counselling and group work to equip the children to cope with their psychosocial problems.

CO-CURRICULAR ACTIVITIES

Co-curricular activities are given equal prominence with all other programmes at Snehagram. All the children have opportunity to take part in games like Football, Cricket, Volleyball, Basketball, Handball and Running. Children also have opportunity to participate in the events like 'Champion in Me' which is a customised cultural and Sports event conducted annually for CABA in Karnataka.

Along with these sports and athletic programs students are also trained in other cocurricular activities such as: Dance, Yoga, Gardening, Exposure visits, Creativity development programs and Monthly Cultural programs. All these activities are devised to help children in value formation & life skill training, resilience building & coping and in preparing them to face challenges in life.

LEADERSHIP TRAINING PROGRAMMES

Developing leadership qualities in children is one of the focus areas of the programme. Leadership qualities are nurtured in the children through various training programmes and workshops. Programme also aims at developing Peer Leaders from among the children to train the children in the communities.

CHILD PROTECTION POLICY

Snehagram has adopted child protection policy to safeguard the rights of children. A child protection committee is formed with two members from the staff and four from the students. Child protection protocols were also developed and adopted at the Centre in consultation with the children.

LEARNING SITE INITIATIVES

As an innovative and pioneering program specifically to address the complex challenges of caring the adolescents living with HIV, Snehagram partners with Karnataka Health Promotion Trust(KHPT), and USAID to be a learning site whereby we develop good practices and models to guide and support other programs in the field. As a learning site we are engaged in developing best practices, training and hand holding for staff from other centers, operational research, advocacy and policy influencing to make the lives of these children happier and brighter.

OUTREACH PROGRAM

As the vision of Snehagram is to reach all children living with HIV, we partner with many organizations who are involved in the community based programmes to support, guide and intervene to make their lives healthier and happier. We offer Camps, Short Term Stay, training in vocational skills and psychosocial support. And also our children offer peer mentoring to the children in the community.

RESEARCH

The program is developed in such a way as to capture our learning and experiences in managing and guiding adolescent HIV issues in an effective manner. A good database is created to track the growth and development of these children especially in the areas of Health Management, Psycho Social Care and Integration strategies.

NEWSLETTER

Snehagram publishes a bimonthly newsletter - Snehavaani. The newsletter covers all the (events of Snehagram during the period. The major share of the contents is contributed by the children themselves. It also gives a platform for children to nurture their literary skills.

VOLUNTEERS' PROGRAMME

Volunteers are encouraged to be a part of Snehagram activities. Volunteers can either be involved in academics (teaching) or vocational skill-based trainings. Volunteers choose between various options depending upon the time available. Possible options include spending multiple weekends, 1 month, 3-months or more at the Snehagram campus.

SNEHA KIDS AT SNEHASADAN, MANGALORE

Normalized and the second provides the provides of the provides the p

Services rendered to the OVC are as follows:

Service Components	Details	
Education	The children are provided with the unique opportunity to study in Rosa Mystica School and the college in the same campus. The quality education helps each student to be creative and unearth their hidden potential in order to develop an integral competence. During this academic year two of our children are going to appear for the SSLC examination and two for the pre university examination. The performance of the children is satisfactory. We have few children doing their professional studies in various colleges.	

Service Components	Details
Medical Care	All the OVC are helped to restore their health to the highest potential by providing maximum care and comfort. ART adherence is given importance so as to maintain the CD4 count. Prophylaxis supplementation is carried out on the daily basis. Regular check-up and standard curative practices enable the patients for a speedy recovery from their opportunistic infections. The children are referred to the ART Centre and other higher facilities for further treatment. Health education classes and aerobic exercises have been taught and monitored by the Nitte Institute of Physiotherapy.
Counselling	Counselling helps children to cope with their respective academic and other emotional problems. The children with difficulties in studies and those exhibit inappropriate behaviour are focused.
Value education and personality development	They are offered with value education to set high human and moral qualities that everyone must possess to lead a socially productive life. Personality development includes the activities to improve the self-awareness and identity, develop talents and potential, enhance quality of life and contribute to the realization of dreams and aspiration.
Spiritual Services	The desire for God is written in the human heart, because man is created by God and for God; and God never ceases to draw man to Himself. The children in the Centre are offered with the spiritual exercise to enrich their spiritual life. We draw our strength from the daily Holy Eucharistic Celebration in the morning at the Centre. The children and inpatients pray together with the Snehasadan family in the evening and bless each other daily in our Chapel.
Nursing Care	The nurses at Snehasadan strive to provide a high quality nursing care to the children. They administer medication as per doctor's prescription, monitor them frequently and report to the doctor if any changes occur in the health condition. They emphasize on giving attention to the personal care of the children in tune with the Camillian spirituality. They provide nutritional supplement as required and also maintain health records and case sheets.
Nutritional care	Good nutritional support can improve one's health to a great extent. Snehasadan tries to support our sick brethren here to provide them sufficient nutritional support, enabling them to fight their physical weakness and ill-health.

Service Components	Details
Watch-n -witness'	Snehasadan provides occasions for various age/social groups (especially youth and students) to physically visit us to get to know the real life situation of those reside here. By this we strive to eradicate the social stigma towards the PLHIV. By mingling with them the stigma is reduced to some extent. Thus we also try to promote the virtue of compassion.
Share your care	"No donation is too small to make a difference "
	Snehasadan stimulates, encourages, appreciates and accepts the hearty donations of the good hearted persons (cash, kind, food, services). We aim at both getting to sustainable support for this care home and cultivating the virtue of sharing even at the pinch of one's own sustenance. The children keep the donors and well-wishers in their prayer.
TB Program	The children infected with Tuberculosis are referred to the nearby District Hospital Tuberculosis Centre. They provide the anti-tuberculosis medication free of cost. The programs have got a talented program to deal with its range of trust activities in the traceable and moveable attitude towards the said program.
Recreational facilities	Recreation is an essential element of human biology and psychology. All the children in the Centre are offered with recreational facilities such as daily indoor outdoor games, watch television on Sunday for 3 hours, yearly taking the children for the tour.

Events and Celebration of 2015

Dr. Kripa Amar Alva, the chairperson of the Karnataka State Commission for Protection of Child Rights (KSCPCR) visited the Centre. Her visit edified the Staff and Children as she congratulated the noble work being done in her own homeland Mangaluru for the welfare of children.

Mr. Mithun Rai, the President of district Youth Congress visited Snehasadan on his birthday and distributed sweets to the Children.

Mangaluru North MLA B.A. Mohiuddin Bava visited Snehasadan on his Birthday (15th March) and distributed fruits to our Children and inmates.

Republic Day

On 26th January 2015, 66th republic day was celebrated. On this occasion Fr. Antony Kunnel, Director of Snehasadan unfurled the national flag and delivered the message.

Independence Day

The 68th Independence Day was commemorated on 15 August 2014. After the solemn Eucharistic celebration at 7.30 am in the chapel, all the inmates of Snehasadan assembled in front of the entrance. Ceremonial hosting of the flag was done by Dr. Prakash N. Tharian, Retd. Professor of BSW, School of Social Work, Roshni Nilaya, Mangalore, and gave the message on the occasion. The Parade of Snehakids showed their patriotism. The activities of the day made them acknowledge the hard work and sacrifice of the freedom fighters.

Home day Celebration: The most exciting event of the year was the "Homeday 2015" which was held on 19th April 2015. The chief Guest of the day was Most Rev Dr. Leocir Pessini MI, the Superior General of the Ministers of the Infirm, Camillians. Most. Rev. Dr. Aloysius Paul D' Souza, the Bishop of Mangalore presided over the programme. Presence of honourable guests Rev.Fr. Baby Ellickal MI (Provincial, Camillians India), Msgr. Denis Moras Prabhu (Vicar General of Diocese of Mangalore), Rev. Sr. M Wilberta BS (Superior General, Bethany Congregation). Mohiuddin Bava MLA, Dr. Prem Kumar, (former Registrar, Rajiv Gandhi Health Sciences, Bangalore) Prof. Dr. Ravi Vaswani, (former Registrar of Yenepoya University), Mr. Alben Menezes (President of UCA) added beauty to the Day. Fr. Antony Kunnel MI, Director, delivered the welcome speech. The performance of Snehakids was mind blowing. Fr. Teji MI, Administrator, expressed words of gratitude.

Dental Camp conducted

A B Shetty Memorial Institute of Dental Sciences, Conducted Medical camp on 13th of December at Snehasadan.

Christmas Day Celebration

The eve of Christmas was celebrated with much devotion. The entire home was adorned with sparkling lights and twinkling stars in celebration of the birth of Jesus Christ the Saviour. Carol singing, colourful cribs and vibrant Christmas Trees added colour to the festivity. The real meaning of Christmas lies in inculcating the values of Jesus, in having him in one's heart and following his path.

Champion in Me

A total of 32 Snehakids participated in "Champion in Me" at Shining Star School of Sneha Care Home on 28th and 29th of November, organised by Sneha Charitable Trust in collaboration with KHPT (Karnataka Health Promotion Trust). It was a great event for the children to exhibit their talents and potential. They bagged many prizes and medals.

World Girl Child Day

International Girl Child Day was celebrated on 24th September. The theme for the year was focused on adolescent girls and the Sustainable Development Goals to achieve gender equality by 2030. Sr. Sharlet BS spoke to them on the importance of the day. 20 girls from Jeevadaan and Samvedana participated in it. The flag making brought their talents and tug of war reminded them they too are strong.

Rangoli/Onam

Onam celebration was marked with Rangoli making competition. The creativity did come out in form various beautiful art as they were competing each other. The Teachers from Rosa Mystica School and few Medical Students from KMC joined for the 'Onam Sadhya'.

St. Camillus Day

Following seven days of Novena in honour of St. Camillus and prayers for the sick, the founder's day was celebrated on 14th July. Jeevadaan staff and inmates were present for the celebration. The dancing and singing added colour to the 'Paani Poori evening' which was concluded with a delicious dinner.

Navarasa Uthsav

Snehakids participated in "NavarasaUtsav", a cultural evening for the differently abled, mentally handicapped, children and adults at St. Agnes Auditorium. There were representatives from various institutions. Honourable Minister of Health and family Welfare U T Khadar inaugurated the function. The viewers were delighted to see the dazzling performance of Snehakids.

Vanamaholsava

"Plant together...lets make the world greener." On 4th July Staff and Snehakids set apart to plant few trees in the garden and surroundings to make the earth clean and green. The Children are motivated and interested in watering the plants and occasional caring.

INNOVATIVE INITIATION OF SCT

Camillian Task Force

B orn out of a need to address the acute sense of despair and helplessness resulting from natural calamities and disasters, the CTF was formed and made operational in 2004 with a focus on providing rehabilitative care for disaster survivors. Camillians are well-equipped to provide pastoral care, trauma counselling, and other disaster relief activities.

The Camillian Task Force (CTF) is one of the various initiatives of the Ministers of the Infirm (Camillians), a religious institute of the Catholic Church. CTF was launched in 2001 and since then, CTF has become a significant part of the mission of the Camillians to promote health and well-being of the people.

The CTF is a joint venture beyond Camillians where all like-minded people collaborate in witnessing the merciful love of Christ, united by their faith in Jesus Christ and motivated by the Camillian Charisma.

CTF responds as a team to every type of disasters throughout the world, both locally and worldwide. Since 2004, CTF has responded to nine disasters and provided financial, psychosocial and rehabilitation support to the poor victims.

CTF consists of many health care professionals and support personnel who offer their competence so as to lessen the consequences of devastating natural and man-made disasters, such as earthquakes, floods, plagues, drought and the consequences of armed conflict.

Aims and Priorities

We carry out a well-established array of activities in the area of healthcare: prevention, curative treatment, pastoral care, rehabilitation and education. However, given the signs of the times, the members of the Order felt the need for a stronger presence in the area of disaster relief.

The impact of disasters on people is extensive. They often have significant pastoral, medical and humanitarian needs. The members of CTF offer support to lessen the trauma of sudden loss, injury and disaster-related suffering.

Therefore, the aim of the CTF is to provide integral care in the aftermath of disasters such as drought, famine, mass displacement, floods and so on, when the life, health and livelihood of people is at risk unless immediate action is taken.

Camillians are well-equipped to provide pastoral care after disasters, particularly trauma counseling, an area often overlooked by other organizations: the Order specializes in the area of pastoral care; trained lay personnel and volunteers are available for counseling; there are many pastoral centers run for this intention that entitle the institution to shape its role in the area of counseling for the traumatized, filling a gap in the many services provided after a disaster. The institution now has the opportunity to utilize the CTF to facilitate and even offer training in the areas of trauma counseling and disaster relief.

Our Mission

To witness the merciful love of Christ for the poor and the sick, especially when affected by disasters, whether man-made and/or natural.

Welcome ... Join CTF!

Any man or woman who believes in the mission of CTF and wants to serve those affected by disasters is welcome to join the CTF!

Lack of specialization in the area of health care is not an obstacle for any genuinely committed individual who wants to work hard and be a part of the team.

People willing to help others in distress in whatever way are welcome to join the CTF!

CTF is committed to collaborate with like-minded organizations and the local church, i.e., the diocese, and offers its services to those in need regardless of their faith.

MEDICAL RELIEF WORK OF CAMILLIAN TASK FORCE IN JAMMU & KASHMIR

Camillian Task Force India in collaboration with Catholic Social Service Society of Jammu and Kashmir Diocese, Caritas India, members from different Religious congregations namely (CSJB, OP, SABS and SD), St. Philomena's Hospital Bangalore, Gandhi Medical College, Hyderabad and lay volunteers got together in Srinagar to conduct medical relief camps to diagnose and distribute medicines and food items for the flood affected people in Jammu and Kashmir. We were able to serve 19 villages and around 3392 people over a period of 25 days. We were able to spend full day at all camps, dispensing medicines and food materials to the affected victims. Our team consisted of 30 volunteers from all over India who were medical students, priests, nuns and health care volunteers. And we showed our true spirit of commitment and determination to work for the cause-help and serve people. There was not a day where we did not seek God's blessings and guidance. We thanked the Lord even during our journey through the villages.

St. Camillus Blood & Organ Donation Movement

LifeDrops

Life Drops is a movement for those who are willing to donate blood. It connects willing blood donors to the needy patients at times of surgery, hospitalization, accidents & injuries. The LifeDrops program communicates with donors at the time of the request and facilitates getting them to the hospital for blood donation. The program uses social media and mobile devices to communicate with the donors and recipients. This year around 180 people benefited from this program especially the poor health compromised people.

New initiatives under Life Drops

Under Life drops unit, Bangalore, Camillains have initiated a blood donation movement called 'Care 4 Life' in collaboration with St. Joseph's degree college, Bangalore to help the needy patients with blood requirement at St. Philomena's hospital, Bangalore. Students registered at the youth movements of the college are the prime blood donors. The program is executed through social network like Whatsapp where the need of blood is posted and noticing the same, the members would respond to the need.

Life Beats

LifeBeats is a St. Camillus organ donation movement started in 2015. The objective is to create a database of willing donors who can be tapped at the time of need. While there are no accurate statistics, media reports usually quote doctors who estimate that 2,00,000 patients need kidney transplants in India every year and barely 4,000 to 6,000 actually get one. This campaign across India aimed at briefing communities, patients and hospitals about the need for kidney or other organ donations.

Balance Sheet Financial

LAWRENCE TELLIS & ASSOCIATES CHARTERED ACCOUNTANTS

No.44/45, 2nd Floor "Vinayaka Complex" Off.Symphony Theatre Residency Cross Road Bangalore – 560 025 INDIA Telephones : 080-41514791 41514792/93 Fax : 080-25583589 Email: Itamirandaindia@gmail.com

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF SNEHA CHARITABLE TRUST

1. Report on the Financial Statements -

We have audited the Consolidated Balance Sheet of "SNEHA CHARITABLE TRUST" Bangalore (a public Charitable Trust) as at 31st March 2015, the Consolidated Income and Expenditure Account and the Consolidated Receipts and Payments for the year ended on that date and a summary of significant accounting policies and other explanatory information related thereto.

2. Management's Responsibility for the Financial Statements -

The Board of Trustees of the Trust are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Trust in accordance with the accounting principles generally accepted in India, including the prescribed Accounting Standards, to the extent applicable. This responsibility includes the design, implementation and maintenance of internal controls relevant to the preparation and presentation of the financial statements that give a true and fair view and that are free from material mis-statements, whether due to fraud or error.

3. Our Responsibility as Auditors of the Trust -

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurances about whether the financial statements are free from material mis-statements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material mis-statements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Trust's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

-- 1 --

LAWRENCE TELLIS & ASSOCIATES CHARTERED ACCOUNTANTS

-- 2 --

4 Our Opinion -

On the basis of such checks of the extracts of the books and of the vouchers made available to us and as we considered appropriate and also on the basis of information and explanations given to us, during the course of our audit, we state that, in our opinion, the said financial statements give a true and fair view in uniformity with the accounting principles generally accepted in India : -

- a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Trust as at March 31st, 2015;
- b) In the case of the Consolidated Income and Expenditure account, of the surplus arising as a result of its activities/ operations for the year ended on that date; and
- c) In the case of the Consolidated Receipts and Payment account, of the statement of receipts and payments and also of the opening and closing balances of cash and banks for the year ended on that date.

5 Report on other Regulatory Requirements -

Further to our comments in paragraphs 1) to 4) above, we report that :

- We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
- b) In our opinion, proper books of account have been kept by the Trust in so far as appears from our examination of their books;
- c) The financial statements, viz., the Consolidated Balance Sheet, the Consolidated Income and Expenditure account and the Consolidated Receipts and Payments account referred to in this report are in agreement with the books of account of the Trust; and
- d) In our opinion, the said financial statements of the Trust comply with the prescribed accounting standards, to the extent applicable.

C

SNEHA CHARITABLE TRUST UPASANA, P.B. NO.2913, DHARMARAM COLLEGE POST, BANGALORE - 560 029 SCHEDULES ANNEXED TO AND FORMING PART OF THE CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2015

SCHEDULE 'B'

NOTES TO THE ACCOUNTS AND STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES ADOPTED IN THE ACCOUNTS

1] SIGNIFICANT ACCOUNTING POLICIES

A] OVERALL -

Accounts have been prepared on historical cost and on cash basis of accounting. It is the policy of the Trust/institution to prepare its financial statements on the cash receipts and disbursements basis. On this basis, revenue comprising of voluntary contributions, donations, bank interest and other receipts and the related assets are recognised when received rather than when earned and expenses are recognised when paid rather than when the obligation is incurred.

B] CONCERNING BALANCE SHEET -

a. Assets and liabilities are recorded at cost to the Trust/Institution.

b. Basis of Valuation of Fixed Assets -All Fixed assets are valued at cost less depreciation. Freehold land at Yellampet acquired during the year is not depreciated.

C) CONCERNING INCOME AND EXPENDITURE ACCOUNT -

- a. Income and expenses are accounted on cash basis.
- b. DEPRECIATION -

The Fixed assets have been depreciated on written down value method at the rates which would enable the cost of the asset to be written off over the useful working life of the asset. Additions to Fixed assets during the year have been depreciated on pro-rata basis.
